OF KEBABS

Our Story

The Ministry of Kebab is our homage to India's legendary fire-kissed culinary traditions — where heritage meets precision, and technique is elevated into art.

Rooted in centuries of regional craftsmanship, we showcase three iconic methods that define the soul of Indian grilling: Tawa, Tandoor, and Sigree. Each flame tells a different story — the Tawa sears with intensity, the Tandoor roasts with depth, and the Sigree smokes with rustic charm. Every kebab is thoughtfully crafted to reflect the unique character of the flame it meets — bold, subtle, tender, or charred — always with intention.

At MOK, we bring this experience tableside in the most immersive way possible.

Our custom-designed kebab trolley is a live-action stage, fitted with working Tawa, Tandoor, and Sigree — allowing our chefs to finish, glaze, or sear kebabs directly in front of our guests. This mobile culinary theatre offers not only warmth and freshness but also the sounds, aromas, and visual drama of real-time flame cookery.

Kebabs are presented with a handpicked selection of house-made chutneys and crisp papads, completing the experience with layered flavours and textures. From premium cuts and freshly ground masalas to seasonal accents and thoughtful finishing touches, every element is curated to deliver a kebab that is both rooted in tradition and refined for the modern plate.

This is more than a service — it is a celebration of fire, culture, and craftsmanship, designed for the discerning palate.
